

The Career Key™ Map¹ of Holland RIASEC Types/Work Groups² and U.S. Department of Education's 16 Career Clusters (in blue)

¹ This map is based on a model from the Oklahoma Career Information System. This version does not imply their endorsement.

² "Work Groups" are groups of occupations based on the traits of the workers – interests, aptitudes, temperament, skills and ability. They were originally developed by the U.S. Department of Labor. More information: www.careerkey.org 2010 © Career Key, Inc.
